TRAINING CENTRE

2022 Training Schedule - Fiji

LEARNING IS EMPOWERMENT

Training Categories

1. Microsoft Certifications
2. Cisco Certifications
3. CompTIA Certifications
4. Veeam Certifications
5. AWS Certifications
6. Axelos (ITIL / PRINCE2) Certifications
7. ISC² Certifications
8. VMware Certifications
9. PMI Certifications
10. Scrum Study Certifications
11. Facebook Certifications
12. PECB Certifications
13. Group-IB Certifications
14. Industry Relevant Short Courses
15. Fortinet

ABOUT DATEC TRAINING

Our certifications and short course trainings can be accomplished within days or weeks, giving participants the knowledge and skills needed to attain some of the most globally recognized ICT and Project Management certifications.

Our training offers a wide range of practical skills for individuals and professionals across multiple industries and equips participants with the necessary skillset relevant to the workplace.

Choose from our wide range of courses to find the pathway most fitting for your career.

For training consultations and more information about our services, please contact us on the below

Instructions on Getting Started with Training and Certification

- **Step 1:** Register for a scheduled training on our website (www.datec.com.fj/training). Talk to our training consultants for inhouse training requests and discuss availability. The 2022 training prices does NOT include exam voucher costs.
- **Step 2:** Pay your fee or raise a purchase order at least 10 days prior to the training dates to confirm your seat. All purchase orders must be paid within 14 days after the training has been delivered. Last minute payment does not guarantee seat availability. Selected certification trainings require minimum participants to be considered guaranteed to run. If the need arises, Datec will postpone the training to a later date to ensure successful delivery.
- **Step 3:** Fully attend the training and receive your certificate. Certificates will not be issued for partial attendance.
- **Step 4:** If you are striving for a certification exam and not just the training, start preparations for the relevant exam after the training. You may purchase your exam vouchers from Pearson VUE and book a date for your exam, you can use Datec Test Centre for 98% of the exams. The purchase of selected exam vouchers may require participants to apply to the appropriate certification body to verify training and experience. Datec may assist with the purchase of selected certification vouchers where the voucher cost will be added to the training cost on request. Note that 3rd party voucher purchase incurs additional tax and VAT charges.
- **Step 5:** Pass your exam and become certified. On the other hand, a few selected certifications may require endorsement after passing the exam to be fully certified.
