JOURNEY TO GLOBAL CERTIFICATION

TRAINING CALENDAR

2023 | DATEC TRAINING CENTRE

MESSAGE FROM THE CEO, SATYEN SINGH

Greetings and a prosperous 2023 to you all. It is a pleasure to release the 2023 training schedule for the Datec Training Centre, featuring the premier learning partner for global ICT certification training and industry-led short courses.

We are thrilled to present to you a wealth of information on what we have to offer.

Datec was founded in 1985 from its beginning 37 years ago and is now one of the largest technology providers leading with ICT solutions and services in Fiji and the Pacific. Datec learning centers have been the Centre of excellence for ICT Training and Education.

We are pleased to inform that as of this year Datec has diversified into providing short course trainings in Business Management as well which is part of this year's training schedule.

Our short courses and global certification trainings will be available in Fiji in the Eastern, Western, and Northern division. In addition, dates will be made available for the delivery of courses in the Pacific regions as well throughout the year.

While Datec remains the top training provider in global ICT certification courses, we are also committed to the non-ICT sector and will enable skill development as per industry needs.

Datec intends to further expand at a wider spectrum in the near future.

This is indeed an exciting opportunity for you to be a part of our growing Datec family.

I invite you to spend some time on our 2023 Training Calendar to learn more about our training services.

Please continue to be safe and connected as we work to build the future of the Pacific.

Sincerely

………………………
Chief Executive Officer

TABLE OF CONTENTS

TRAINING CATEGORIES

1. Business Management
2. Microsoft Certifications
3. Microsoft Office
4. Digital marketing Institute (DMI)
5. Security Domain
6. Cisco Certifications
7. CompTIA Certifications
8. Axelos (ITIL) Certifications
9. ISC^2 Certifications
10. VMware Certifications
11. PMI Certifications
12. Scrum Alliance Certifications
13. Facebook Certifications
14. PECB Certifications
15. Industry Relevant Short Courses
16. Fortinet
17. Adobe

Details

- Datec is a VMware Education partner reseller for the Asia Pacific region
- All VMware trainings are directly delivered by certified VMware professionals – directly by VMware themselves
- Trainings made available may or may not include exam vouchers, depending on available promotions during the year
- All VMware trainings are conducted virtually unless candidate travels abroad to attend the same at their own expense.
- Datec venue may be made available free of charge to attend any VMware training with a minimum of 6 participants in a group

INSTRUCTIONS ON GETTING STARTED WITH TRAINING AND CERTIFICATION

1. Register for a scheduled training on our website (www.datec.com.fj/training). Note that the Datec training website will undertake a major upgrade in 2023. Talk to our training consultants for inhouse training requests and discuss availability. School students can also keep track of short course trainings during the school holidays.

2. Pay your fee or raise a purchase order at least 10 days prior to the training dates to confirm your seat. All purchase orders must be paid within 14 days after the training has been delivered. Last minute payment does not guarantee seat availability. Selected certification trainings require minimum participants to be considered guaranteed to run. If the need arises, Datec will postpone the training to a later date to ensure successful delivery.

3. Fully attend the training and receive your certificate. Certificates are not issued for partial attendance.

4. If you are striving for a global certification exam and not just the training, start preparations for the relevant exam after the training. You may purchase your exam vouchers from Pearson VUE and book a date for your exam, you can use Datec Test Centre for majority of the exams. The purchase of selected exam vouchers may require participants to apply to the appropriate certification body to verify training and experience. Datec may assist with the purchase of selected certification vouchers where the voucher cost will be added to the training cost on request. Note that 3rd party voucher purchase incurs additional tax and VAT charges. Also, take note of several trainings that may have the exam voucher cost included in the overall cost.

5. Pass your exam and become certified. On the other hand, a few selected certifications may require endorsement after passing the exam to be fully certified, please keep track of your certification requirements.
